# Heavenly Father,

Nothing is too difficult for you! I come to you humbly today, knowing that you are faithful and the only true source of my peace. You see the big picture of my life, and I confess that I easily forget this.

I worry, and try to take care of things on my own instead of resting in the promise that you are working everything for my good. For every situation I worry about, though, you alone have all the wisdom and strength I need.

I desire to take every thought captive and cast my cares upon you with confidence. Help me be willing to let things go, and reveal to me the worries I am failing to trust you with. Replace all of my worry with comfort and rest in your loving arms.

Give me a heart that trusts you fully, knowing you will meet every need I have. Thank you for caring for and sustaining me, my kids, and our homeschool.

In Jesus' name I pray,

*Amen*
